

# Silva International Director Comes to Austin

Laura Silva-Quesada, Silva International Director and daughter of founder, Jose Silva, will be in Austin to present the new Silva Method programs. Under the new leadership of Ms. Silva-Quesada and a small select team of instructors, The Silva Method has undergone a wonderful transformation. This metamorphosis is founded upon new leadership, a clearer, focused vision, updating and restructuring of programs and new course materials. Both graduates – who have lifetime retake privileges - and new students can look forward to new updated home study programs, online learning, digital downloads, and clearer more relevant course work.

There are now two new stand-alone, updated and expanded core programs - The Silva Life System and the Jose Silva UltraMind ESP seminars. Each has its own home study program and web site. The Silva Life System course teaches self improvement and practical life enhancement techniques to accelerate personal success. The Silva Method UltraMind ESP focuses on the development of ESP/intuition, inspiration, creativity and spiritual development in a way that is applicable to everyday life, relationships, business and more.

Together, Laura Silva-Quesada and local instructor Lamar Irwin will co-teach the new Life System Seminar on March 29th and 30th. See ad on pg. 24.
